

BAY WOODS *of* ANNAPOLIS

DIRECTOR OF HEALTH AND WELLNESS (NURSING HOME ADMINISTRATOR)

POSTED ON: 5/23/2017

JOB TYPE: Full-time Position

Responsibilities

BayWoods of Annapolis, a waterfront Continuing Care Retirement Community, is seeking a Nursing Home Administrator (licensed in Maryland) to oversee the clinical and operational business of the Health Care Center including an 20 unit Assisted Living & 27 unit Skilled Nursing & the Resident Services Agency for Independent Living residents. Incumbent will be instrumental in developing relationships with families, physicians, & external resources for marketing purposes. Will supervise the staff and assess training needs in accordance with regulations within the Health Care Center. Will be responsible for assisting & developing the overall budget. Must possess knowledge of current and evolving state laws and regulations, policies & procedures for residents and ensure compliance. Must be licensed in the state of Maryland, possess a Bachelor's or Graduate degree in health services or related field, basic computer proficiency and proven leadership skills. We offer a competitive salary and benefit package.
